

School Fee Structure 2017

It is essential for the running and improvement of school facilities and resources, as well as the sharing of responsibility between all families, that we receive payment of fees.

School fees are billed annually. Payment options include a one off payment which is payable within 14 days of billing. Alternatively, payments can be scheduled over a 10 month period (February-November), fortnightly or weekly using the direct debit facility of the Catholic Development Fund. A written commitment will be required from families indicating their preferred payment option. Other payment options are available by making an appointment with the Principal. Likewise, if you are having difficulty meeting the full fee amounts please do not hesitate to contact the Principal for a confidential meeting to discuss options and alternatives.
